

100% HAWAIIAN WAIALUA COFFEE

Experience the Extraordinary with Waialua Estate™

Waialua Estate Coffee is available in Light and Dark Roast suitable for drip coffee, french press or as espresso producing a caramel blond crema and satiny texture.

Savor a smooth, mellow, well balanced cup with a medium body, clean finish, hint of chocolate and pleasant, lingering aftertaste.

FULL CITY ROAST

This Medium Light Roast is for those who prefer a sweeter, milder tasting coffee with no bitter notes. This is our original roast style and is very popular.

The coffee beans are medium light and toasty brown in color.

Available in Ground or Whole Bean.

NORTH SHORE SPECIAL DARK ROAST

The Dark Roast is rich, smooth and full bodied with a distinct hint of chocolate. Perfect for those who enjoy a full-flavored coffee with a more pronounced slightly smoky aroma. The coffee beans are chocolate brown with a light sheen of oil.

Available in Ground or Whole Bean.
